RE: 55029092495 — Rate Options Available

Dear Valued Customer:

As an Atlantic City Electric customer, rate options are available to you that may provide you with cost savings. If you expect to have similar usage over the next 12 months, you may want to consider changing your rate classification.

Please give us a call at 1-800-664-2141, Monday to Friday, 8 a.m. to 5 p.m., if you would like to discuss your rate options and have an analysis completed for your account.

We appreciate the opportunity to provide you with safe and reliable service. If you have any questions, please contact our Key Account Support Team at number listed below.

Sincerely,

Key Account Support Team
