Please contact us at 1-877-403-7149 for information on:

- Agencies that may be able to assist you in paying a past due bill.
- Assistance available if you have a serious illness in your household, which could be aggravated by the disconnection of your electric service.
- PrePay, a payment option that allows you to control when you pay, set balance notifications and eliminates reconnect fees. Call us to see if you're eligible.

If your electric service is disconnected, you must pay all outstanding bills before your service will be restored. A reconnect fee will be billed to your account and a deposit or additional deposit may be required.

Late payment charges will continue to be assessed on all unpaid balances.
