## Disconnect notes from AEP Ohio:

To AVOID DISCONNECTION, you must do ONE of the following:

- Pay the entire amount due; or

### ENTER INTO A PAYMENT PLAN

- Enter into an agreement requiring six equal payments plus your current bill;
- Enter into an agreement requiring nine equal monthly payments plus a budgeted payment amount;
- Enter into an agreement requiring minimum monthly payments of one-third of your account balance (valid only Nov. 1 - April 15);
- Enter into an agreement to make monthly payments based on a percentage of income (if the total household income is equal to or less than 175% of the Federal poverty level);
- Agree to any other extended payment plan that is mutually acceptable to you and the Company.

Past due balances may include CRES provider charges.

The disconnect amount due does not include charges for nontariffed products or services, but may include charges for competitive retail electric service. Failure to pay charges for other nontariffed products or services may result in loss of those products or services.

This notice will not be cancelled by the receipt of a new bill, as the due date shown on the new bill applies to the current billing and does not apply to the amount shown as the previous balance.

A smart meter is installed on your premise. If service is to be disconnected due to non-payment, service will be remotely disconnected and no written notice will be left at your service address. On day of disconnection, service is likely to be shut off at approximately 10 a.m.

If payment has been made, please accept our thanks and disregard this notice.
