RE: Annual Backflow Preventer Testing - 2nd Notice

Account Number: 05308325944134

Service Address: 10 COMMERCE DR NEW ROCHELLE NY 10801

Dear BRP 10 COMMERCE LLC:

Veolia Water New York Inc. - VWW RD1 recently notified you of our Backflow Prevention and Cross Control Program. Within the guidelines of this program, backflow prevention devices are required to be tested annually. The backflow prevention device(s) are installed on your water service line adjacent to the meter.

We would like to remind you that the deadline for testing of your device is approaching. If device testing has been completed, please provide a copy of the testing results to Veolia Water New York Inc. - VWW RD1 at the above address. Otherwise, we would appreciate successful testing be completed by a certified tester and the results sent to Veolia Water New York Inc. - VWW RD1 by 01-22-2025.

A list of certified testers can be provided by calling our Customer Service Center.

If you have any questions, please contact a Customer Service Representative at 877-266-9101, Monday through Friday, between the hours of 8:00 am to 4:30 pm.

Thank you for your cooperation in this matter.

Sincerely,

Customer Service Department
Veolia Water New York Inc. - VWW RD1
